

GUIDE FOR POSTER DESIGN

1. **Title** – Large and bold at the top.
2. **Authors & Affiliations** – Names of presenters and their institutional affiliations.
3. **Introduction** – Background and objective of the research.
4. **Methods** – Description of research design, methodology, and data collection.
5. **Results** – Key findings with space for graphs, tables, or charts.
6. **Discussion & Conclusion** – Interpretation of findings and their significance.
7. **References** – 1 or 2 key cited works.
8. **Acknowledgments** – Funding sources and contributors (optional).

NOTE:

- The UCC logo and/or any other relevant logos should be placed at the top corner(s), maintaining a professional and visually appealing design.
- Use a **clean and professional layout** with sufficient white space.
- Recommended poster size: **3 ft X 4 ft (100 cm X 120 cm)**
